CORE CAPABILITIES

01 SSHO Staffing EM 385-1-1 qualified Site Safety & Health Officers placed on NAVFAC, USACE, and DoD construction projects. Pre-deployment verification of 5-year safety logs, OSHA 30, and Competent Person certifications.	02 EM 385-1-1 Compliance Activity Hazard Analyses, Accident Prevention Plans, and inspections aligned to the 2024 EM 385-1-1. Daily safety reporting and audit-ready documentation for Government Quality Assurance.	03 Federal Subcontracting SDVOSB subcontracting partner to large primes for set-aside and small-business participation goals. FAR / DFARS flow-down execution and FAR 4.703-compliant recordkeeping.
04 Safety Training Pipeline support for OSHA 10/30, EM 385-1-1 24-hour competency, and Competent Person certification. Accreditation pathway in development with the Davidson Institute / IBOEHS.	05 DLA Supply Sourcing DIBBS-registered for DLA Aviation and DLA Land & Maritime opportunities. DFARS-compliant U.S.-origin sourcing with MIL-STD-2073-1E and MIL-STD-129 packaging.	06 GovCon Infrastructure Built for prime-readiness: SAM, UEI, CAGE, WAWF, SPRS, VSM. Operating Agreement and document retention purpose-built for federal audit defense.

DIFFERENTIATORS

- Veteran-led with unconditional veteran control under 13 CFR § 128 — clean, defensible SDVOSB ownership structure.
- Pacific-theater positioned: Kapolei, Hawaii base of operations supporting NAVFAC Pacific, MCBH, JBP HH, and joint commands.
- Pre-deployment credentialing system that verifies EM 385-1-1 SSHO requirements before mobilization — not after a finding.
- FAR 4.703-compliant document retention: 7-year audit-ready files for every contractor, every placement, every invoice.

- Direct executive accountability — no layered management between the Contracting Officer's Representative and the principal.
